gift guide

wrap up their forever favorite

The holidays are all about sharing a little joy, and the right gift makes it even better. From must-have retail brands to fresh designs created by our in-house team, ETS Express has drinkware and food containers for everyone on your list.

Think stylish, useful and ready to become part of their everyday routine, long after the decorations come down.

something for everyone

Water bottles, tumblers, mugs, food containers, housewares, and more.
We've got gifting covered.

Explore an intentionally curated assortment featuring trusted brands such as Owala, HydroJug and Stanley, along with exclusive ETS designs. With options for every style, audience and budget, finding the perfect holiday gift just got a whole lot easier.

made for real life

Great gifts shouldn't sit on a shelf. Our team follows the latest consumer and lifestyle trends to create products people will actually want to use.

From staying hydrated and packing lunch to commuting, traveling and relaxing at home, these gifts fit right into the everyday moments that matter.

make it worth showing off

Add your logo, artwork or holiday message and let our decoration experts bring it to life.

Choose from crisp screen printing, laser decoration, full-color options and eye-catching mixed-media decoration that combines techniques, textures and finishes for a layered, premium look.

Whether your style is bold, playful, polished or somewhere in between, we'll help your brand make an impression that lasts well beyond the holiday season.
